

# TEDD SMITH

Fund Development  
The Set Free Movement

## PROFILE

All that is truly important to Tedd is portrayed in, of all places, his Facebook bio: Christ follower, Husband, Dad and Papa. But if you really want a little more detail, here you go...

Tedd was born into a faithful Christian home in the Rochester, NY area where he endured (or benefitted) as the youngest of five boys. In the Fall of his Senior year at Houghton College, six of his friends died tragically in a car accident. It was during his grieving, that he heard from the Lord to enter full time Christian ministry.

He spent 22 years with Youth for Christ, 17 years as the Executive Director of Greater Rochester YFC. It was then, he unexpectedly sensed God calling him to become Lead Pastor at Grace Ridge Church for the next 17 years. As he says "I was humbled to enjoy a front row seat witnessing God's majesty on the front lines of ministry!"

Today, Tedd is pleased to be utilizing his 39 years of ministry leadership experience to assist the vital work of the Set Free Movement. His energies focus on Fund Development by expanding giving streams, growing awareness of SFM and assisting SFM Teams in their funding challenges.

Tedd is married to his college sweetheart Lori. Together, they raised 3 children and are now blessed with 5 grandchildren.
